Protecting your personal data is very important to us. We process your data exclusively based on statutory provisions (GDPR, TKG 2003). On this data protection info page, we inform you about the most important aspects of data processing on our website.

Get in touch

When contacting us through the contact form on the website or via e-mail, we will store the data you provide for six months in order to process the request or in case of follow-up questions. We do not pass on or use this data without your consent.

Cookies

We use cookies to improve your user experience. These are small, harmless text files that are stored on your device via your internet browser until you delete them. They enable us to recognize your browser the next time you enter the site. If you don't want to allow the use of cookies, you can adjust the settings in your internet browser so that you get notified about cookies and only allow them in individual cases. However, deactivating cookies may have an impact on the correct functionality of our website.

Web analysis

This website uses the web analysis service "Google Analytics" (Google Inc. 1600 Amphitheater Parkway Mountain View, CA 94043, USA). Google Analytics also uses cookies, text files that are stored on your device and that make it possible for us to analyze your use of our website. The information stored by the cookie is usually transferred to a Google server in the USA and saved there.

However, if IP anonymization is active on this website, your IP address will be shortened by Google in advance (within member states of the European Union or in other contracting states of the Agreement on the European Economic Area). Your full IP address will only be shortened and sent to a Google server in the USA in special cases. On behalf of the operator of this website, Google will use this information to evaluate your use of the website, to compile reports on website activity and to provide us with other services relating to website activity and internet usage. The IP address provided by your browser as part of Google Analytics will not be merged with other Google data. You can prevent the saving of cookies by adjusting the settings of your browser accordingly; however, we would like to point out that this may have an impact on the correct functionality of our website. You can prevent the recording and processing of the data generated by the cookie and related to your use of the website (including your IP address) to Google by downloading and installing a specific browser plugin under the following link: <http://tools.google.com/dlpage/gaoptout?hl=en>

Your rights

You have the right to information, correction, deletion, restriction, data transferr, revocation and objection. If you believe that the processing of your data violates data protection laws or your data protection claims have been violated in any way, you can make a complaint to the supervisory authority. In Austria, your contact for that is the Data Protection Authority (Datenschutzbehörde).

To manage the cookies and similar technologies used (tracking pixels, web beacons, etc.) and related consents, we use the "Real Cookie Banner" consent tool. Details on how "Real Cookie Banner" works can be found at <https://devowl.io/de/rcb/datenrechner/>

The legal basis for the processing of personal data in this context is Article 6 (1) (c) GDPR and Article 6 (1) (f) GDPR. Our legitimate interest is the management of the cookies and similar technologies used and the related consents.

The provision of personal data is neither contractually required nor necessary for the conclusion of a contract. You are not obliged to provide the personal data. If you do not provide the personal data, we cannot manage your consents.
